

Rounded three-tier stairs

€387.20

Wooden rounded three-tier stairs for hot tub

Standard stairs have a rounded edge and are designed for a round tub.

Left-hand stairs - when looking at the tub from the front, you climb from the left side

Right-hand stairs - when looking at the tub from the front, you climb from the right side

For straight-sided stairs that are designed for an octagonal or square tub, choose straight-sided stairs.
